EPICOR

Authorized Partner

RETAIL OPERATIONS, CONNECTED FOR GROWTH

ONE CENTRALIZED PLATFORM

WHAT PROPELLO HELPS RETAILERS DO

CONNECTED OPERATIONS
Finance, inventory, sales and operations on shared data

OMNICHANNEL COMMERCE
Store, online, wholesale, and service channels in sync

INVENTORY + FULFILLMENT
Improve availability, orders, and delivery visibility

INSIGHT + SCALE
Turn performance data into timely decisions as your business evolves

Soft Intelligence helps retailers implement POS and retail management systems aligned to your industry, complexity, and growth goals.

Built for Retail

WHY PARTNER WITH SOFT INTELLIGENCE + PROPELLO?

Bring retail expertise and a connected platform together to create more value for every customer.

1. **Expand your reach.**
   Add a modern retail platform to your portfolio.
2. **Accelerate value.**
   Start with the highest-impact business priorities.
3. **Create stickier relationships.**
   Support customers beyond implementation.
4. **Grow with confidence.**
   Build a repeatable path from project to partnership.
